Professional Development Workshop Series in Earth and Environmental Science

*Earth-Expo 3-PD - Introducing Our Dynamic Planet: Wed 31 July 2024*

**Rocks** (the Rock Kit Teaching Pack & the Integrated Plate Tectonics story), yr 8-9

**Energy and the Energy Transition** (all energy types compared, path to Net Zero), yr 9-12 focus (STEM/physics/chemistry crossover)

**Riding the Climate Rollercoaster** (climate through geologic time, plate tectonics/climate events in Earth's history/fossil extinctions) yr 9-12 biology/genetics/geography crossover

**School:** Monivae College, 133 Ballarat Rd, Hamilton Vic

**Meeting Room:** attendees to go to the front desk to be directed to Meeting Room

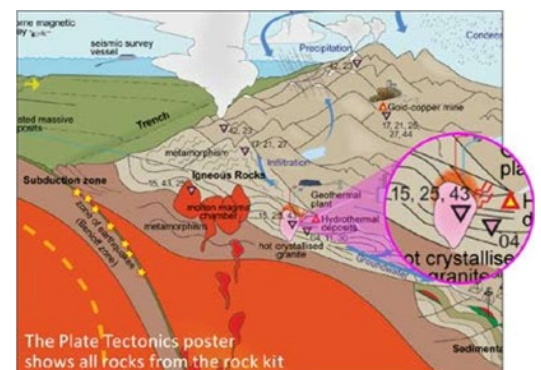

**Date:** Wednesday 31 July 2024, PDs 1:00pm-5:30pm

**School Facilitator:** Julie Dohle (a catered lunch will be provided)

The RocksExpo experience includes–

1. **Incursions** – classroom lessons with students and teachers.
2. **PD workshops** – After-school professional development workshops for teachers (3-PD & lunch @ \$65 per attendee for visiting teachers, FREE to host-school teachers).
3. **Certificate of attendance** – A certificate of hours and workshop outcomes will be issued.
4. **FREE rock kit** – Host to receive a FREE rock kit and Plate Tectonics poster.
5. **Introductory RocksExpo** feature How to Use the Rock Kit and Teaching Pack (e.g. how to relate rock kit rocks to rock stories, 3D rendered samples, virtual thin sections and virtual outcrops).
6. **Subsequent RocksExpo** topics can be chosen from TESEP's "The Challenging Earth" series 2

**Presenters:** **Glen Nash** is an experienced educator/industry geologist and **Peter Nisbet** is an experienced secondary Science teacher/geologist.
